Localizada em Iperó, situado em uma região de grande polo industrial, a MINATEX Extrusão de Alumínio, se encontra instalada na Av. Paulo Antunes Moreira, 2220 – Distrito Industrial, teve seu início em 13 de janeiro de 2022. A MINATEX Extrusão de Alumínio é uma empresa de excelência no trabalho de perfis de alumínio que fundamenta no compromisso com pontualidade do atendimento e qualidade do produto, focando nas necessidades dos clientes e vem conquistando admiradores através da seriedade e dedicação de nossa equipe que atua com empenho em soluções eficientes. Com atendimento humanizado e excelente metodologia de gerenciamento interno. Trabalha com tecnologia de ponta com modernos maquinários no segmento de Extrusão de Alumínio. Atuando no mercado de alumínio com a produção principal de perfis da linha moveleira, porém atendendo também os setores da construção civil, industrial e vidraçarias. Atendendo também aos clientes com suas necessidades específicas, desenvolvendo e produzindo produtos de exclusivos conforme solicitado pelo cliente, sendo ele de pequeno, médio ou grande porte. A MINATEX Extrusão de Alumínio se preocupa com a melhoria contínua de seus produtos e investe em mão de obra qualificada e experiente. Contando com uma equipe

Missão

Industrializar e comercializar perfis de alumínio com alta qualidade, prestar serviços com alto valor agregado, investir em colaboradores capacitados e comprometidos para atender as necessidades dos clientes com excelência através de soluções e produtos com rapidez, eficiência e qualidade de forma sustentável e rentável

Visão

Estar entre as maiores empresas do segmento de extrudados de alumínio e ser referência de qualidade, transparência e soluções inovadoras visando a satisfação de nossos clientes, parceiros e colaboradores.

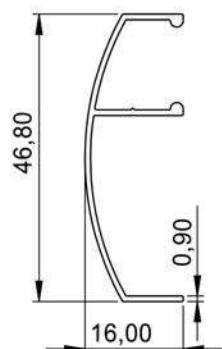

Valores

- Compromisso no atendimento e na satisfação dos clientes;
- Parcerias Duradouras
- Paixão Pelo que fazemos;
- Desenvolver relações de confiança, pautadas na responsabilidade e transparência das
